

TERMS AND CONDITIONS FOR IMAGE RELEASE

IMAGES

Within this folder you will find product images for all Gaynor Minden Pointe Shoes, Slippers, Leotards, Tights, Warm-Ups, Accessories, and Training Aids.

Files in the folder called “Images for Web” are saved at 72 dpi, and are suitable for inclusion on your website. Files in the folder called “Images for Print” are saved at 300 dpi, and are suitable for inclusion in your printed catalog or advertisements.

Please note: *These images may not be cropped, stretched, or distorted in any way. If the size needs to be changed the original proportions of the image must be kept the same.*

LOGOS

Within the file folder called “GM Logos” you will find versions of our New York logo in black and pink. You are free to use the logos within your print material or on your website provided that they are not altered in any way. *This logo has been trademarked and altering color or style is strictly prohibited.*

PHOTO CREDIT & COPYRIGHT

All images, whether displayed online or reproduced in print, must be accompanied by the following text: “Photo(s) by Eduardo Patino, NYC ©2017 Gaynor Minden, Inc.” Please contact us if you have any questions regarding best practices.

Thank you very much for including us in your catalogs, advertisements, and websites.
